

The ISSA Innovation Award Program serves as a platform for exhibitors at ISSA Show North America to launch their innovative product or service to the cleaning industry. Over the past 10 years, the ISSA Innovation Award Program has been offering new solutions to the challenges faced by industry professionals.

Vote for Innovative Solutions

We encourage cleaning industry professionals to view the 2019 Innovation Entries and vote for the most innovative solutions facing the industry in 5 product categories: Equipment, Supplies, Cleaning Agents, Services/Technology, and Dispensers. This year's program launch is August 1 and voting ends November 15th.

Consider what makes a product Innovative

Based on the criteria below, please consider the following in determining your vote:

- **Impactful** – (Definition: Have a direct effect on someone or something)
- **Practical** – (Definition: Likely to succeed and reasonable to do or use)
- **Sustainable** – (Definition: Able to last or continue for a long time)
- **Profitable and Cost Savings** – (Definition: Yielding advantageous returns or results)
- **Originality** – (Definition: The quality or state of being creative or new and different)

Voting Eligibility

All cleaning industry professionals except for Manufacturers and Manufacturer Reps are eligible to vote.

How to Vote

Simply 'read more' on the products then click vote in the upper right hand corner. If you are not already logged into your ISSA account, this will prompt you to log in and will record your vote. If you have no ISSA account, no worries you can create one on the spot for free!
